Mr. Angus S. Nicholson,
Supt. Keshena School.

My dear Mr. Nicholson:

Your attention is invited to the fact that the following names appearing on the annuity roll of 1913 are apparently not brought forward to the census roll of 1916. It is assumed that many of the Indians have married or died since the last roll was made but it is essential that their correct names and number, if married since that date, or in case of death, that fact should be stated, in order that a correct division of funds be prepared.

Correction on
census roll.

Commissioner of Indian Affairs,
Washington, D.C.

My dear Mr. Commissioner:

Reference is respectfully made to the name appearing opposite number 1734 on the census roll of the Menominee tribe as submitted. The name Robert Lyons as given is incorrect, and should be changed to read Gilbert Paul Lyons. The name of the father was placed on the roll instead of the name of the son. Robert Lyons has furnished the above as the correct name of his son.

Correction has been made accordingly on the retained copy of the census roll, and it is requested that the Office make a similar correction on the copy submitted.

Very respectfully,

A. A. Marber
Assistant Superintendent.
